

Christopher Addison

Client: ISG Ltd

Value: £1,400,000

Duration: 22 Weeks

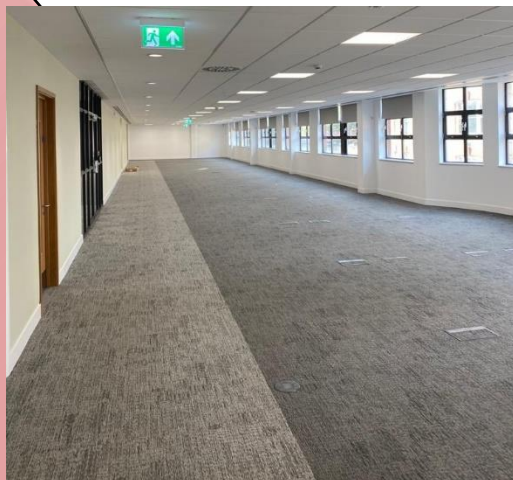

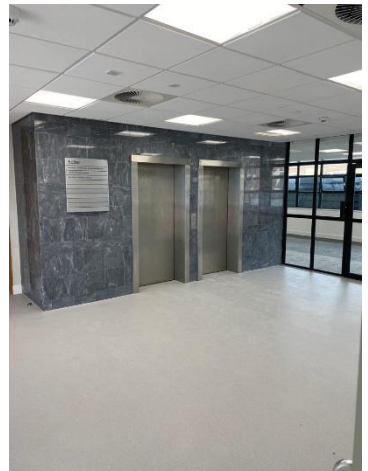

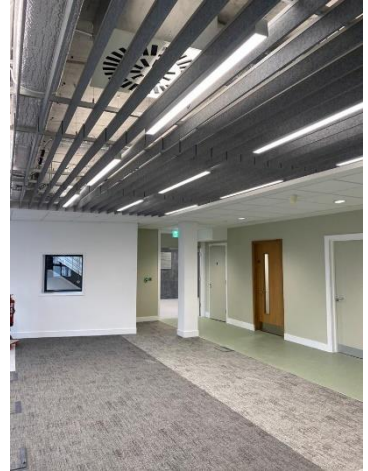

Metric Solutions Ltd

ISG awarded Metric the full Mechanical and Electrical package at Hackney Borough Council office building Christopher Addison House.

The project was a full 4 floor BIM level 2 fit out inclusive of Boiler Room, VRF Air Conditioning, Air Handling units for supply and extract air, numerous toilet cores, shower rooms and multiple Kitchenettes. A new cold water tank and booster set was also supplied to increase the mains water pressure throughout the building.

Our electrical department undertook the installation of small power, lighting, lighting control and lightning protection.

Complete Mechanical and Electrical
