

# Chelsea Barracks

Mectric Solutions Ltd

Client: Concept Bespoke

Value: £450k

Duration: 20 Weeks

Mectric solutions were appointed to carry out the Public Health Above Ground Drainage, Domestic Hot and Cold water, UFH, LTHW & CHW fan coils, MVHR units, Kitchen Extract, Power, Lighting, Sprinklers, Fire Alarm and BMS.

The detailed coordination was imperative within this beautiful Town house set on the modern chelsea Barracks.

The professional team's Stylish detail meant the services install had to be slick while remaining discreet throughout.
