

# Wellbeing Hub – Newham University Hospital

Client: ISS

Value: £140K

Duration: 12 Weeks

Metric Solutions Ltd

Metric Solutions were appointed by ISS working in partnership with the Barts Health NHS Trust, to carry out the construction of a new wellbeing hub at Newham Hospital.

The existing area was a kitchen/old cafeteria area. The existing MEP services were removed, and partition walls and ceilings removed. New walls and ceiling were constructed, and new MEP services installed.

The services comprised of:

- Removal of existing
- Erection of new walls and ceiling.
- Adaptation/extension of existing ventilation system.
- Power & Lighting
- Water supplies & drainage
- Data system
- Panic and nurse call alarms
- Fire alarm system
- Door access control
- New data system
- Audio visuals
- BMS Controls
- Decorations
